Subject: **Hobie Cat General Rule 10.1 interpretation**

Based on questions regarding the interpretation of Hobie Cat General Rule 10.1 below interim amendment (in red) has been decided under the provisions Hobie Cat General Rule 23:

*10.1. HOBIE CAT CO. supplied rudder assemblies and rudder blades shall not be modified except for minimum filing to improve fit and function unless specifically allowed in the individual boat rules. **The shape and design function of the rudder cam shall not be altered in any way except through normal wear and tear.***
